Teaneck International Film Festival – *Activism: Making Change*

Eighteenth Year - November 5 - 12, 2023

Virtual: November 5 - 8 In Person: November 9 – 12

“If we organize, we can change the world with LOVE at the center.” --Heather Booth

Dear Friends,

The Teaneck International Film Festival has been at the forefront of social justice issues with films about racism, antisemitism, voting rights, addiction, LGBTQ+, the environment, women’s reproductive health, gun control, and so much more. Now - when our democracy is under attack – it is more important than ever to present films and talkbacks that tell important stories and inspire involvement and activism.

TIFF 2023 will be both *virtual* and *in person*. We hope you will support us and be with us from your home and in our venues. A *donation* of at least \$35 will entitle you to an invitation to our fabulous gala (meet, greet, wine, dine, and enjoy a film and talkback), Saturday night, November 11th.

Check the website for additional announcements about our 2023 program, venues, changes in virtual viewing, and ticket sales. Make an online donation at TeaneckFilmFestival.org – donations page - or by check, using the form below or **scan the QR code located at the top of this page**. Together we can make a difference!

Thank you for your support!
